Work Experience

DreamArc Animation Studios

Storyboard Artist / Revisionist

February 2024 - Present

- Produced multiple storyboards of varying runtime for a currently unreleased 2D animated feature film.
- Worked remotely and followed the character style sheets to accurately create boards in the style of the project.
- Utilized communication via Discord and Slack with the Storyboard supervisor and other storyboard artists in team meetings to review and critique board assignments

Galloway Digital

Storyboard Artist

October 2023

- Created storyboards for a 30-second video game trailer promoting a game mode in Roblox.
- Streamlined the editing and timing of the animatic for the final pass to show to clients.
- Used Storyboard Pro to create digital storyboards.
- Final product generated more than 860K+ views

Otis College of Art and Design

Peer Mentor, Student Leadership

August 2021 - May 2023

- Conducted peer-mediations between students to help resolve conflicts and reach agreements.
- Assisted students with school's registration process by helping select courses and teaching various software related to college attendance.
- Partnered with campus groups and organized community outreach to promote nutrition, physical activity and health among peers. Personally hosted 30+ different unique events for the campus.
- Implemented and maintained comprehensive and consistent records of 200+ incoming students onto campus as well as a clear and concise record of all interactions through events, emails, and front desk interactions.

Freelance Work

Various Positions

September 2020 - February 2021

- Storyboard Artist - Produced a 4-minute storyboard to be turned into a short animation, aimed at promoting the company's core values and ideals for Moore Statistics.
- Typography Artist - Utilized Adobe Illustrator to create a company logo for the company Kostrada, a health food company.
- UI/UX Layout Artist - Created a rough layout involving Figma and UI/UX Design to create a website format for a tech company.
